Notes:

1. Employment is a count of jobs rather than people, and includes all part- and full-time nonfarm jobs. Employment is rounded to the nearest ten. Numbers may not add due to rounding.
2. Employment does not include self-employed, unpaid family, or railroad workers.
3. An estimate of non-covered employment is included in NAICS 8131(Religious Organizations), but not in any other industries.
4. Government includes tribal owned operations, which are part of Local Government employment.

Information derived using 2004 CES (3/05 Benchmark) and 2004 QCEW data.

To the extent possible, the projections take into account anticipated changes in Wisconsin's economy between 2004 and 2014. It is important to note that unanticipated events may affect the accuracy of the projections.
